

LAFAYETTE HIGH SCHOOL ADVISORY COUNCIL

Providing stakeholders with an opportunity to actively participate in the assessment of our school's needs, development of educational priorities, and use of local resources.

Functions of the School Advisory Council include but are not limited to:

- Providing support and information for programs and activities that generate greater cooperation between school and community
- Developing knowledge of curriculum content and instructional procedures at the district and school level
- Assisting in the preparation and implementation of the School Improvement Plan (SIP)
- Participating in the general monitoring of school buildings and grounds
- Providing input in matters concerning local school finance
- Assisting the principal by providing input to the various facets of school administration
